# ‘What’s your line?’

Halton Children’s Services need your help

**Thursday 19th September 2024**

The Events Hall, The Heath Business & Technical Park,  
Runcorn, Cheshire, WA7 4QX

**09:30 - 12:30**

**Zoe Fearon**, Executive Director of Children’s Services (HBC), will open the session & will guide us through the recent Ofsted inspection findings about partnership working in Halton.

Your role will be to help craft an improvement plan that will strengthen partnership working in Halton.

We are looking for one practitioner, one operational manager and one strategic manager from each partner & relevant agency.

Each organisation will be asked to consider and then capture in a sentence, what they can do to support each priority in the Improvement plan. **What will your line be?**

Please email [cypsafeguardingpartnership@halton.gov.uk](mailto:cypsafeguardingpartnership@halton.gov.uk)

With the details of who will be attending from your agency?
