

# Two New Course dates released

## DASH (2009-2024) Risk Identification

aims for you to be aware of the Assessment & Management Model & how to use it;

- Understand the dynamics of domestic abuse, stalking and so-called HBV, and the human and financial cost of domestic abuse, stalking and HBV.
- Be able to identify high-risk of domestic abuse, stalking and HBV.
- Be able to identify serial perpetrators.
- Be confident in making defensible decisions based on the evidence from extensive research of cases including domestic homicides, near misses and lower level incidents.

**The existing sessions on the 4th October, 29th November & 14th January 2025, are all now fully booked and so the following new dates have been released;**
